## VERSE 1:

I know that You can hear my call  
Through the silence and the noise  
I'm buried and my hope feels gone  
I'm waiting on Your voice

## VERSE 2:

As the water rises over me  
I'm lost and all alone  
Surround me with Your perfect peace  
I'm waiting on You Lord

## CHORUS:

You won't let the darkness  
Take what You have buried  
God of every harvest  
Knows when I am ready

Rooted in Your promise  
Covered by Your mercy  
God of every harvest  
Finish what You've started

## TAG:

God of every harvest  
Finish what You've started

## VERSE 3:

Your faithfulness is all I need  
To remind me of Your love  
You're growing something new in me  
I know that You're not done

## TAG:

I know that You're not done

## BRIDGE:

I lift my hands to meet You  
Out of the depths I hear Your call  
Only Your Word brings breakthrough  
Have Your way  
Have Your way
